WORK EXPERIENCE

● Front-end Developer Intern (chess plugin team)

ZURICHAT

2021 - 2022

Worked with a team to develop the front-end for the chess plugin in a new application called Zurichat.
Implemented the application's UI using HTML, CSS, and React.
Ensured that the UI was compatible with multiple browsers and responsive across multiple screen sizes.
Worked with Back-end Developers to ensure that the front-end and back-end components worked together correctly.

● Lead Front-end Developer

TRIBETEQ

2021 - 2022

Contributed to building responsive websites using HTML5, CSS3 and JavaScript.
Collaborated with web designers and back-end developers to create user-friendly web applications.
Led and monitored a team of front-end developers.
Optimized web pages for maximum speed and compatibility across different browsers and devices.

EDUCATION

● BSc. Computer Science

BABCOCK UNIVERSITY

2016 - 2020
